

Family Friends of Scouting Enrollment

To provide a premiere Scouting program requires a significant investment. "Friends of Scouting" helps secure the operating funds needed by our council to provide the many services offered to support your unit's program, e.g., training, insurance, program helps, advancement materials, camping facilities and programs, council and district activities, etc.

The Family "Friends of Scouting" program is extremely important to the success of our overall fund-raising efforts because it shows the rest of the community how committed our members are to the Scouting program and serves as an example for their support.

As you plan your program for the upcoming year, please include a Family Friends of Scouting presentation during the months of January, February, or March. Pack presentations should be scheduled during Blue and Gold Banquets and troop presentations during Courts of Honor.

Please return the lower section of this form, indicating the date you selected, no later than your January Roundtable or mail to your district executive at the appropriate Scout office:
