### Welcome New Scouts

Thank you all for coming tonight. You will have a great time in Cub Scouts. There is plenty of activities to participate in through out the year. Here is what we have planned on the Pack level through Christmas. After the holidays, we'll have our Pine Wood Derby races, our Blue and Gold Banquette, camping, and much more.

The main goal of Scouting isn't to cook hot dogs and help old ladies across the street, it's to teach our young boy's good manners, self reliance, and how to become good citizens. But in the process, they'll cook a lot of hot dogs, learn to do things for themselves, learn to say please and thank you, salute the flag, and maybe even hold a door or two. And they'll do all this while having fun and spending time with their hero. You!

We update it regularly and are continuously adding new information to the site. The Pack calendar has all of the event dates. The Announcements page also has the dates, but with more information about the event. There is a Leaders page that has the numbers and email addresses of all of our Leaders should you have any questions.

We welcome you to our Pack and look forward to getting to know all of you.

Thank You. Pack 530
