

Greater St. Louis Area Council

Cub Camp-In

October 21-22, 2005
5pm Friday to 10am Saturday

Cub Scouts and Webelos, bring your sleeping bags and pillows to spend the night at the St. Louis Science Center! Design your own space probe or create your own barometer! Experiment with the physics of the human body in our Physiolympic Games. You won't believe your eyes as you experience amazing optical illusions! This exciting, hands-on night will fulfill several of the requirements for the Bear Space Elective and the Webelos Scientist Activity Badge. Plus, several other requirements can be met by exploring our galleries.

Participation fee includes science demonstrations and hands-on activities in the Science Center galleries, a souvenir patch, evening snack, morning breakfast, and sleeping in the galleries, as well as admission to the James S. McDonnell Planetarium, and an Omnimax movie.

Parents/scout leaders must attend with a ratio of one (1) adult camper for every five (5) scouts.

Cost per person: \$35

For reservation information, call 314/289-4424 or toll-free 800/456-SLSC, x4424

For general information, call 314/289-1405 or toll-free 800/456-SLSC, x1405
