During The 8th Annual Boy Scout® Weekend At Silver Dollar City April 29 - 30, 2006

When America was still a young country, folks from across the nation would join together at Grand Expositions and World's Fairs to showcase new novelties and great innovations. It was during that time that **The Grand Exposition of 1882** rolled its wagons into the lush green hill country of Silver Dollar City to stake claim. We proudly present in 2006 a brand NEW area celebrating that same American ingenuity, exhibiting science and technology, performing extravagant shows and driving thrills with **10 NEW FAMILY RIDES!**

"Best family thrill coaster on the planet!" - Thrillride.com

Plus, your troop will have the opportunity of a lifetime during **World-Fest** when hundreds of international performers join together to share their music, dance, culture and costuming. Grab a front row seat for the highly acclaimed **Moscow Circus** featuring highflying feats of amazement, the artistry and pageantry of world-renown acrobats and the silly shenanigans of European-style clowning. It's our most breathtaking and astonishing international show ever featuring a true century-old art form...the GREAT Moscow Circus.

- Lead the World-Fest Parade of Nations.
- Receive complimentary participation patches. Register in front of Guest Relations on Saturday morning, April 29, and pick up your activities schedule and participation patch.
- Attend the special Boy Scout Program at 5pm in the Opera House presented by Wonders of Wildlife!
- Earn achievements and merits. For more details go online after February 15, 2006.
- Exclusive Boy Scout ride time on the explosive launch coaster, Powder Keg!

Troops may march with council banners, however, banner storage is not available. Achievement and merit opportunities will be provided by the Ozark Trails Council/Blazing Trails District of Boy Scouts of America. All organized activities occur on Saturday only.

"The Silver Dollar City Boy Scout Weekend is one that our Scouts really look forward to. It's always great to be able to combine family and Scout activities. Silver Dollar City plans plenty of useful Scout badge work for all ages, Cub and Boy Scouts, as well as all the fun things in the park. Scheduling the event during World-Fest allows these boys an opportunity of a lifetime. Having a meaningful Boy Scout closing program and getting to ride the coaster for an extra hour at the end of the day is pretty cool, too! Thanks for your effort!" - *Darrell & Donna Lorenz, Troop 426, Festus, MO*
